

Interested in being part of a delegation to our Sister Parish? ACT NOW!

St. Therese parishioners are invited to be part of a delegation to our Sister Parish in Chiapas, Mexico on March 6-14. The trip is sponsored by One Equal Heart, the non-profit foundation dedicated to helping fund programs at the Mission like sustainable agriculture and child nutrition.

Those of you who were able to participate in the Masses that weekend last November, when members of our Sister Parish visited St Therese will remember how magical it was to meet the Deacon couple Pedro and his wife Ana, Petul (a student of sustainable development, helped by donations to the Tseltal Maya Work-Study Scholarship), and Father Pepe Aviles, the Director of the Jesuit Mission at Bachajon.

Now is our chance to continue the Sister Parish relationship. If you have any interest, act now – March 6 will be arriving very soon! The trip will cost \$900 plus airfare, usually about \$700. A valid passport good through August 2010 is necessary (six months past the trip). Susan Roberts would be very happy to answer questions by email at susanrobertsart@gmail.com or by phone at 206-329-7322. You can also email Jeanne Berwick at info@oneequalheart.org for more information about One Equal Heart. Jeannie will be leading the delegation and she will be present at a Sister Parish meeting at the home of Susan Roberts Sunday, February 7, at 7PM. Susan lives near St T. at 1130 36th Ave. All are welcome.
